----THE PRESIDENTS REPORT----

We are having elections this month, so come to the meeting and exercise your right to vote.

After serving nine years as Club President, I have decided to step down and let someone else take this position.

The nominating committee has come up with these names for the following offices:

President-----John Bruce
Vice President-----Dr. Manthey
Secretary-----Jess Williams
Treasurer-----Lee Thomas
Program Chairman-----Jack Dunn

Other nominations will be taken at the meeting, so come and be prepared to vote.

Although this is my final Presidents Report, it is not a farewell address. I will still be around and attend meetings, etc. I even will help out where ever needed.

SEE YOU AT THE MEETING!

Earl Moser
President

----GATEWAY SHOW----

Our next Gateway show will be on Thurs. Nov. 21. Come out to the outside mall near sunset. In case of clouds we will try again the next night. If it is too cold there will be no more shows until spring.

SEE YOU AT THE MEETING

Any one having a telescope for sale see Jess Williams at the meeting or phone him at home.

Brian Rugg will give the observing report at the meeting.
