A motion was made and passed separating the office of Sect'y-Treas into two offices. The offices of President and Editor of the newsletter were combined to eliminate the possibility of tie votes at meetings of the board.

We are in need of monthly assistant Program Chairpersons. Anyone that wants to present a program for any month for the next year please call Jack Dunn or myself and a month can be set aside for you, so if there is a subject that you would like to see a program on the chance is your's to present it.
