THE  
PRAIRIE

TELESCOPE

This month our meeting will be held as usual on the last Tues. of the month, the 28th of Oct, 1975. This will be a veyr important meeting, as elections for club officers will be held. Since I am now working nights and can no longer regularly attend the meetings I will step down as president. Be sure to come to this meeting as your vote is important. I hope to get on to the day shift some time in the future so that I will be able to attend the meetings once again.
